- 7.11. The Company's operating hours are from 06:00 am GMT on Monday to 3:00 pm GMT on Friday, excluding official public holidays as announced from time to time. The Company reserves the right to suspend or modify the operating hours on its own discretion and in such event its websites will be updated without delay for the Client to be informed accordingly. The Company has the right to refuse the provision of any service to the Client, at any time, without being obliged to inform the Client of the reasons to protect the lawful interests of both the Client and the Company. It is further noted that in the case of existing clients, the Company may proceed with the termination of the business relationship with the client by

providing an explanation at its sole discretion.

- 7.12. From time to time the Company may contact the Client whether by phone or email or by any form of communication means for the purpose of offering them further information about the Company, FX and CFD's trading / financial markets trading.
- 7.13. The Company may, at its sole discretion, arrange for any Transaction to be effected with or through the agency of an intermediate broker, who may be an associate of the Company, and may not be in Mauritius. Neither the Company nor its respective director, officers, employees or agents will be held liable to the Client for any act or omission of an intermediate broker or agent. No responsibility will be accepted for intermediate brokers or agents selected by the Client.
- 7.14. Amongst the other criteria for accepting a prospective Client as the Client of the Company, the prospective Client has to deposit the minimum initial deposit of Two Hundred Fifty (250.-) or equivalent or other amount in other currency (according to the Currency of the Client Account) as determined by the Company.
- 7.15. The Client further acknowledges that, irrespective of the choice of the Client during the registration process with regards to the amount of Leverage for his/her account shall be automatically determined by the Platform and/or the Company according to the instrument(s) in question, as published by the Competent Authorities from time to time and/or according to the Company's policies and procedures. The Company is entitled to assume that they have sufficient knowledge and experience.
- 7.16. If you elect not to provide the Company with the requested information or if you provide us with insufficient information, the Company will decline your application to open a Trading Account, for the provision of services.
- 7.17. In case of joint-trading Accounts for two or more persons who will jointly be considered as the Company's Client, the Client's obligations shall be joined and several and any reference in the Agreement to the Client shall be construed, where appropriate, as reference to one or more of these persons. Any warning or other notice given to one of the persons which form the Client shall be deemed to have been given to all the persons who form the Client. Any Order given by one of the persons who form the Client shall be deemed to have been given by all the persons who form the Client as per the acknowledgement form to be signed between such persons on the Company's request before proceeding with the examination of a joint account request. The Company reserves the right to request information and/or evidence on the relationship between such persons as well as perform client identification procedures before approving a joint account. The Company further reserves the right to refuse the provision of a joint account if it is not satisfied of the true relationship between the persons and/or if the persons refuse to provide the identification documentation and/or if the Company has reason to suspect and/or refuse the provision of its services.

8. ELIGIBILITY

- 8.1. Our services are available to and may only be used by individuals or companies who can form legally binding contracts under the Law applicable to their country of residence. Without limiting the foregoing, our Services and/or use of the trading platform are not available to Employees and Directors of the Company, to persons who are not of sound mind and/or legal competence, and to persons under the age of 18 or otherwise under the legal age (hereafter the “**Minors**”). If you are a minor, you may not use this service. For avoidance of doubt, we shall not be responsible for any unauthorized use by minors of our services in any way or manner. Furthermore, our services and/or trading platform are available only to and may only be used by individuals who have sufficient experience and knowledge in financial matters to be capable of evaluating the merits and risks of acquiring financial contracts via the Company’s website (s) and have done so without relying on any information contained on the Company’s websites.
- 8.2. The Client accepts and acknowledges that he/she shall bear sole responsibility for any decision made and/or to be made by the Client relying on the content of the Websites. Without derogation from the above provision, the Company shall not be responsible for the information provided by the Client during the account opening procedure and the assessment of appropriateness. The Company shall not be responsible for the clients who, upon acceptance of a risk warning provided by the Company, wished to proceed with the activation of the trading account and the performance of transactions, nor shall the Company be responsible for any damage and/or loss incurred by the Client due to and/or related to the Websites, transactions carried out by the Client and/or the Client’s use of the Services. The offering of FX and CFDs on various underlying financial and other assets may not be legal in some jurisdictions. The Client understands and accepts that the Company is unable to provide him/her with any legal advice or assurances in respect of his/her use of the Services and the Company makes no representations whatsoever as to the legality of the Services in the Client’s jurisdiction. Our Services and/or Trading Platform are not available where they are illegal to use, and the Company reserves the right to refuse and/or cancel services to anyone at its own discretion. For avoidance of doubt, the ability to access our websites does not necessarily mean that our services, and/or the Client’s activities through it, are legal under the laws, regulations or directives relevant to his/her country of residency.

9. ELECTRONIC TRADING AND USE OF THE COMPANY’S TRADING PLATFORM

- 9.1. Upon approval of the Client by the Company the Client can use the Company’s online trading platform, which is available on the Company’s websites, and receive the access codes which will enable the Client to log in and enter into transactions with the Company.
- 9.2. The Client is responsible for any instructions/transactions received/entered through the trading platform, either from the Client directly or through an authorized representative.
- 9.3. The Client agrees and accepts to use software programs developed by third parties including but not limited to the generality of those mentioned above, browser software

that supports Data Security Protocols compatible with protocols used by the Company. Moreover, the Client agrees to follow the access procedure (Login) of the Company that supports such protocols.

- 9.4. The Company will not be held responsible in the event of an unauthorized access from third persons to information including, but not limited to, electronic addresses and/or personal data, through the exchange of these data between the Client and the Company and/or any other party using the Internet or other network or electronic means available. The Client is solely responsible for ensuring that he/she alone has access to his/her account credentials and that no other person is granted access.
- 9.5. The Client acknowledges that the Company has the right, unilaterally and with immediate effect, to suspend, withdraw, restrict, modify or even terminate the Client's access to the Company's electronic systems and/or trading platform if it's deemed necessary. This measure is in force to ensure the unobstructed function of the electronic systems for trading and the protection of the interest of both the Client's and the Company's and may be applied where the Company considers it necessary or advisable to do so, for example due to Client's non-compliance with the Applicable Regulations, breach of any provisions herein, on the occurrence of an Event of Default, network problems, failure of power supply, for maintenance, or to protect the Client when there has been a breach of security.
- 9.6. The Client remains fully liable for any and all positions traded on his/her account, and for any credit card transactions entered into the websites for his/her account. The Client agrees to indemnify the Company fully in respect to all costs and losses whatsoever as may be incurred by the Company as a result, direct or indirect, of the Client's failure to perform or settle such a transaction. The Client further agrees that in the case that any CFDs/ Forex and/or other financial instrument is acquired or sold at prices that do not reflect its market prices, or that is acquired or sold at an abnormally low level of risk (hereafter the "**mispricing**") due to an undetected programming error, bug, defect, error or glitch in the Company's websites software or any other reason resulting in mispricing (for the purpose of this section the "**error**"), the Company reserves the right to cancel such transactions upon notifying the Client of the nature of the computer error that led to the mispricing.
- 9.7. The Client's access codes, transaction activities and all other related information must remain confidential at all times and the Company does not bear any responsibility of any financial loss that might arise should the Client disclose his/her access codes to an unauthorized third party. The Client is responsible for all acts or omissions that occur on his/her Trading Account and/or Trading Platform through the use of his/her access codes. Accordingly, the Client will be liable for any orders received by the Company via his/her Trading Account and/or placed on the Trading Platform using his/her Access Codes. Any orders received by the Company will be considered as received from the Client.
- 9.8. The Client shall inform in writing the Company immediately in the case where his/her the access codes have been compromised/lost and/or used by another party without his/her consent.

- 9.9. In cases where there is a disruption in the electronic trading and the Client is not able to access the online trading platform (internet, electricity or platform caused delay) the Client must contact the Company either through telephone or email to request an approval for the placement of a verbal instruction. The Company may, in certain circumstances, accept instructions, by telephone via the Company's Dealing Room but the Client understands and accepts that it is at the sole discretion of the Company to accept any transaction through the telephone and that the decision of the Company on this matter is final. The Client also understands that if the instructions are not clear or his/her identity cannot be verified or if the transaction is complicated or if the quality of the communication line is poor, the Company reserves the right to decline any verbal instructions and/or ask the Client to give instructions by other means that it deems appropriate by the company. In addition, the Client must acknowledge that in circumstances of large transaction flow (important market news announcement) there might be also some delay to respond to his/her request to accept any verbal instruction. The Company is not responsible for any power cuts or failures that prevent the use of the Company's system(s) and/or the Trading Platform and cannot be responsible for not fulfilling any obligations under the Terms because of network connection or electricity failures.
- 9.10. The Company shall be responsible to maintain and update its electronic systems at all times and therefore the Client must accept the need for periodic maintenance to ensure the effective operation of the trading platform and that the Company does not bear any responsibility for any loss incurred during maintenance.
- 9.11. The Company shall not be accountable for any loss or damages that might incur to the equipment or software due to viruses, malfunctions or defects of its electronic systems. Moreover, the Company shall have no liability for any delays, inaccuracies or potential damage the Client may suffer as a result of transmission errors, technical faults, malfunctions, illegal intervention in network equipment, network overloads, viruses, system errors, delays in execution, malicious blocking of access by third parties, internet malfunctions, interruptions or other deficiencies on the part of internet service providers or in general due to any cause beyond the reasonable control of the Company. The Client acknowledges that access to electronic systems/trading platforms may be limited or unavailable due to such system errors, and that the Company reserves its right upon notifying the Client to suspend access to electronic systems / trading platforms for these reasons.

10. CUSTOMER INSTRUCTIONS AND ORDERS

- 10.1. The Client shall provide instructions to the Company through the trading platform or other electronic means as determined in the Terms. The Client accepts that the Company has the right to partially carry out his/her instructions.
- 10.2. The Client acknowledges that the Company enters transactions with the Client as an agent since the Company will transmit orders to Liquidity Provider(s) for execution.

- 10.3. The Client shall be able to open positions and/or close existing positions through the Company's trading platform and/or place orders with the Company on any type of Forex, CFD or any other financial instrument offered by the Company.
- 10.4. The Client's orders are executed at the Bid and Ask prices of the available current market prices that the Company offers through its Liquidity Provider(s). For instant execution orders the Client places his/her order based on the current prices displayed in his/her terminal and/or the Company's Trading Platform and the execution process is triggered. The Client acknowledges and accepts that due to the high volatility of the market and/or poor or low internet connectivity between the Client's terminal and the Company's server, the prices requested by the Client and the current market price may change, in the period between the Client placing his/her order with the Company and the time the order is executed. Moreover, the Client acknowledges that in the case of any communication and/or technical error/failure that affects the quoted prices (i.e. prices freeze or stop updating or price spikes), the Company reserves the right not to execute an order or, in cases in which the order was executed, to change the opening and/or closing price of a particular order or to cancel the said executed order.
- 10.5. The Company may, in certain circumstances, accept instructions, by telephone, provided that the Company is satisfied, at its full discretion, of the Client's identity and the Company is further also satisfied with the clarity of instructions. The Client understands and accepts that it is at the sole discretion of the Company to accept transactions through the telephone and that the Company's decision on this matter is final. To this effect such calls and instructions shall be recorded at all times whereas a designated log shall be maintained by the Head of Dealing as recorded evidence of such orders being received and executed via telephone. In case of an Order received by the Company in any means other than through the Trading Platform, the Order will be transmitted by the Company to the Trading Platform and processed as if it was received through the Trading Platform.
- 10.6. It is understood that an Order will not be considered until it is actually received by the Company. It is noted that, instructions and orders have the same meaning. If the Company wishes to confirm in any manner any instructions and/or Orders and/or communications sent through the telephone, it reserves the right to do so. The Client accepts that there is a risk of misinterpretation or mistakes in the instructions or Orders sent through the telephone, regardless of what caused them, including, among others, technical failures. The Client acknowledges that the Company will keep records of all telephone transactions without any prior written consent in order to ensure that all relevant information being transmitted via telephone is properly recorded. The records kept are the Company's property and may be used by the Company when deemed appropriate as evidence for the Client's instructions and/or transactions.
- 10.7. In the case of the materialization of a corporate action, the Client accepts that the Company has the right to proceed to alterations to the value and/or size of a transaction. An alteration would be made to maintain the economic equivalent of the rights and obligations of the parties of that transaction prior to a corporate action or to reflect the effect of such event

on such Orders in line with clause 11.19.5. The alterations are conclusive and binding and the Client will be properly and promptly informed by the Company.

- 10.8. Once the Client's instructions or Orders are received by the Company, they cannot be revoked, except with the Company's written consent which may be given at the Company's sole and absolute discretion. The Company reserves its right not to accept Client's Orders, in its absolute discretion, and in such a case the Company shall not be obliged to give a reason but it shall promptly notify the Client accordingly.
- 10.9. The Company reserves the right of partial execution of orders in cases where the volume of the Client's order and/or the market conditions, dictate such action. In the case where any underlying asset of a financial instrument is subject to a specific risk resulting in a financial loss, then the Company has the right to restrict short selling or even remove the aforementioned financial instrument from the trading platform. There also may be restrictions on the number of Transactions that the Client can enter into on any day and also in terms of the total value of those Transactions when using an Electronic Service. The Client acknowledges that some Markets place restrictions on the types of orders that can be directly transmitted to their electronic trading systems. These types of orders are sometimes described as synthetic orders. The transmission of synthetic orders to the Market is dependent upon the accurate and timely receipt of prices or quotes from the relevant Market or market data provider. The Client acknowledges that a Market may cancel a synthetic order when upgrading its systems, trading screens may drop the record of such an order, and the Client enters such orders at his own risk. The Client shall refer to the Company's websites for details of the restrictions/limits imposed on Transactions performed through its electronic systems and/or trading platforms.
- 10.10. The Company has the right to change the spreads of financial instruments depending on market conditions and the size of the Client's order. In addition, the Company has the right to alter the level of the swap rate applied to each type of financial instrument at any given time and the Client understands that in such a case he/she will be informed by the Company's websites and/or trading platform. The Client further acknowledges that he/she is responsible for reviewing the contracts specifications located on the Company's websites as well as consulting the Trading platform for the accurate swap rates prior to placing any order with the Company.
- 10.11. The Company uses its reasonable endeavors to execute any order promptly, but in accepting the Client's orders the Company does not represent or warrant that it will be possible to execute such order or that execution will be possible according to the Client's instructions. In case the Company encounters any material difficulty in carrying out an order on the Client's behalf, for example in case the market is closed and/or due to illiquidity in financial instruments and other market conditions, the Company shall promptly notify the Client.
- 10.12. Orders can be placed, executed, cancelled or rolled over or removed only within the operating (trading) time and can remain effective through the next trading session and or

until expiration. The Client's Order shall be valid and in accordance with the type and time of the given Order, as specified.

10.13. The Company may require the Client to limit the number of open positions which the Client may have with the Company at any time and the Company may in its sole discretion close out any or more Transactions in order to ensure that such position limits are maintained. The position limits will be notified in advance to the Client either through the Company's websites or trading platform(s).

10.14. If any underlying asset of the Forex, CFD or any other Financial Instrument becomes subject to a specific risk resulting in a predicted fall in value, the Company reserves the right to withdraw the specific Forex, CFD or financial instrument from the Company's trading platform.

10.15. The Company has the right to set control limits to the Client's orders at its own discretion. Such limits may be amended, removed or added and may include without limitation:

- a. Controls over maximum order amount and size;
- b. Controls over the electronic systems and/or trading platforms to verify for example the Client's identity during the receipt of the order; or
- c. any other limits, parameters or controls which the Company may deem required to be implemented in accordance with Applicable Regulations.

10.16. Confirmations for all Transactions that have been executed in the Client's Trading Account on a trading day will be available via the Client's online Trading Account through the Trading Platform as soon as the transaction is executed. It is the Client's responsibility to notify the Company if any confirmations are incorrect. Confirmations shall, in the absence of manifest error, be conclusive and binding on the Client, unless the Client places his/her objection in writing within two (2) days.

10.17. In respect of any Manifest Error, the Company may (but will not be obliged to):

- a. amend the details of each affected Transaction to reflect what the Company may reasonably determine to be the correct or fair terms of such Transaction absent such Manifest Error; or
- b. declare any or all affected Transactions void, in which case all such Transactions will be deemed not to have been entered.

10.18. The Company will not be liable to the Client for any loss (including any loss of profits, income or opportunity) the Client or any other person may suffer or incur as a result of or in connection with any Manifest Error (including any Manifest Error by the Company) or the Company's decision to maintain, amend or declare void any affected Transaction, except to the extent that such Manifest Error resulted from the Company's own willful default or fraud, as determined by a competent court in a final, non-appealable judgment.

10.19. The Client acknowledges that all orders are executed by the Company as a regulated STP broker on behalf of the Client and that all orders are executed in a non-regulated market and/or Over the Counter.

10.20. Abusive Trading: If the Company reasonably suspects that the Client performed abusive trading, it may in its absolute and sole discretion, at any time and without any prior written notice, take one or more of the following actions:

- a. terminate the business relationship;
- b. block the Client's access to the Trading Platform and/or Trading Account;
- c. suspend, prohibit or restrict the Client's trading activities or any other functions;
- d. cancel any open positions;
- e. reject, decline or refuse to transmit or execute a Client Order;
- f. reverse the funds back to their originating source or to the real beneficial owner;
- g. cancel or reverse the profits gained through abusive trading;
- h. take legal action to recover any losses suffered by the Company;

10.21. The Company reserves its right, on its own sole discretion and without prior notice being required, to close or/and suspend any Trading Account (s) or/and cancel all transactions or/and waive/invalid any profits derived from trading strategies that specialise in profiting from small price changes such as scalping and/or sniping. Any indication or suspicion, in the Company's discretion, of any form of scalping and/or sniping or/and other form of deceitful techniques will result in all transactions carried out and/or profits garnered as invalid/voided. Under these circumstances, the Client accepts that will bear any loss affected.

11. OPENING AND CLOSING ORDERS/TRANSACTIONS

11.1. In order to open a Transaction in an FX and/or CFD on the Trading Platform, you must either open a Buy or a Sell, at the price quoted by the Trading Platform at the time of such Transaction. In order to close a Transaction, you must either offer to sell (in the case of a Buy), or purchase (in the case of a Sell), the Underlying Asset covered by such open Transaction, at the price quoted by the Trading Platform at the time of such closing offer.

11.2. On the Trading Platform, the Client shall be entitled to make an offer to open a Transaction at the best available rate on the Trading Platform ("**Market Order**") at the time of opening such a Transaction, unless he/she specify a particular price in which to make an offer to open a Transaction ("**Limit Order**"). With respect to a Market Order or a Limit order, the price at which a Transaction is completed may not always be at the exact rate displayed when the order is submitted. The Client agrees that his/her offer to open a Market Order or a Limit Order may be accepted at a lower price or higher price than the price indicated by the Client in his/her Market Order or Limit Order, within a certain range as specified on the Trading Platform under specific market conditions. At any time

prior to acceptance of an order, the Client may cancel such order without any further liability. If the Client chooses to open a Market Order or Limit Order, his/her offer will be accepted at the best possible rate offered on the Trading Platform.

- 11.3. Orders can be placed and (if allowed) changed within the Trading Hours for each type of FX and CFD appearing on the Company's Websites, as amended by the Company from time to time, on the Company's discretion. The Client agrees that the Order to be opened, if accepted by the Company outside the Trading Hours may not be capable of execution, should the market not trade at the price stipulated once Trading Hours commence.
- 11.4. Pending Orders, not executed, shall remain effective through the next trading session (as applicable). All open spot positions will be rolled over to the next Business Day at the close of business in the relevant Underlying Market, subject to the Company's rights to close the open spot position.
- 11.5. Market Orders not executed due to insufficient equity in the trading account will not remain effective and will be nulled.
- 11.6. Orders shall be valid in accordance with the type and time of the given Order, as specified by the Client. If the time of validity of the Order is not specified, it shall be valid for an indefinite period. However, the Company may delete one or all pending orders if the Trading Account funds are not sufficient to cover margin requirements.
- 11.7. Stop loss and Take Profit orders may be amended providing they meet minimum specified level requirements (keep the pending on the trading symbol).
- 11.8. The Client may change the expiration date of Pending Orders or delete or modify a Pending Order before it is executed. In order to change the expiry, the Client will need to cancel the Order and place a new one.
- 11.9. The Client acknowledges and agrees that due to market volatility affecting both price and volumes and factors beyond its control, the Company is striving to execute client orders with the best execution reasonably possibly under the prevailing market conditions however, the Company cannot guarantee that an Order will be executed at the level specified in the Client Order. In such an event, the Company will execute the Client's Orders (Buy/Sell, Close at a Loss, Close at a Profit, Stop Loss, Take Profit etc.) at the next best available price.
- 11.10. With respect to a Close at Profit where the price for an Underlying Asset moves to the Client's advantage (for example, if the price goes up as the Client Buys or the price goes down as the Client Sells), the Client agrees that the Company can pass such price improvement on to the Client.
- 11.11. In the event that the Company is unable to proceed with an Order, with regard to price or size or other reason, the Company will not send a re-quote to the Client (with the price it is willing to deal until the price the Client asks is available). The Order will be rejected

and the Client will need to place another Order.

11.12. The Company may, in its sole discretion, allow the Client to specify a closing price for a Transaction through a "Close at Loss" and "Close at Profit" order, subject always to the terms and any other terms and conditions the Company may implement from time to time.

11.13. Upon the Client's offer and our acceptance of the Client's Order, the Client hereby authorizes the Company to close the Transaction at the "Close at Loss" price or "Close at Profit" price, as applicable, and as agreed in the Order, without further instruction from or notification to the Client. The Company may, in its sole discretion, close the Transaction when the price quoted by us on the Trading Platform equals or exceeds the price accepted by us for such an Order.

11.14. The Company may, in its sole discretion, allow the Client to request the opening or closing of a Transaction, including a "Close at Loss" and "Close at Profit" Order, within a specific time period determined by the Client. If the Company has accepted such a request, it may in its sole discretion, close the Transaction within such specific time period. The Client acknowledges and agrees that the Company shall not be obliged to close such a Transaction outside such specific time period or which does not otherwise comply with any other limitations agreed upon with respect to such Transaction.

11.15. The Company may, at its sole discretion, accept an offer to place a Trailing Stop in relation to a "Close at Loss". The Client acknowledges that the original price level set forth in a "Close at Loss" may be amended as the market on the Trading Platform moves in the Client's favor. Whilst the Client's Trailing Stop "Close at Loss" is still in effect, the Client agrees that each change in the market by at least one hundredth of a percentage point (referred to as "Pips" on the Trading Platform) in his/her favor shall constitute a new offer by the Client to raise the level of his/her trailing "Close at Loss" by one hundredth of one percentage point. Changes in a Pip will be rounded to the nearest absolute value in the Client's base currency based on the Client's account type, as shall be specified on the Trading Platform.

11.16. The Client agrees that placing a "Stop Loss" Order will not necessarily limit losses to the intended amounts due to the prevailing market conditions which may render it impossible to execute such an Order at the stipulated price and the Company bears no responsibility whatsoever.

11.17. The Client agrees that trading operations using additional functions of the Client Trading Terminal such as Trailing Stop and/or Expert Advisor are executed completely under the Client's responsibility, as they depend directly on his/her trading terminal and the Company bears no responsibility whatsoever. In case of any difficulties with Expert Advisors, it is suggested to contact Expert Advisor Providers.

11.18. Swaps

11.18.1. Any Open Transactions held by the Client at the end of the trading day of the

Underlying Market or over the weekend when the relevant Underlying Market is closed, shall automatically be rolled over to the next business day to avoid an automatic close and physical settlement of the Transaction. The Client acknowledges that when rolling such Transactions to the next business day, a Swap will be either added or subtracted from his/her Trading Account with respect to such Transaction (“**Rolling**”). The Swap amount is a constant percentage of the position value and is based on a number of factors including among others, whether the Transaction is a Buy or a Sell, interest rates, Underlying Asset differentials, daily price fluctuations and other economic and market related factors. The Swap for each Asset /Underlying Asset is displayed for each specific Asset / Underlying Asset on the Trading Platform and/or the Company’s websites and is subject to amendments.

- 11.18.2. In deciding whether to open a Transaction for a specific Underlying Asset, the Client acknowledges that he/she is aware of the Swap displayed on the Company’s websites (indicative) and should consult the trading platform and the instrument specifications for the applicable rates/ swaps before opening any position.
- 11.18.3. It is further acknowledged that in case of any miscalculation and/or error of a swap rate due to a malfunction of the Trading Platform and/or bug and/or error of any nature, the Company has the right to update and charge the Client’s account with the accurate swap, affected on the Client’s account balance.
- 11.18.4. The Company reserves the right in its discretion to disable and/or enable trading without a Swap rate charge (hereafter the “**swap free trading**”) for Client’s trading account at any given time. Without prejudice to the generality of the foregoing the imposition of a Swap rate charge can occur if the Client abuses the Company’s trading conditions/systems or where the Client’s trading strategy imposes a threat to the Trading Platform or where the Company deems necessary in order to protect the smooth operation of its Trading Platform.

11.19. Expiry Transactions

- 11.19.1. The Client acknowledges that certain Financial Instruments have a set Expiry Date and time.
- 11.19.2. If an Expiry Date for a specific Underlying Asset is set, it will be displayed on the Trading Platform/websites for each Underlying Asset. It is the Client’s responsibility to make himself aware of the Expiry Date and time.
- 11.19.3. If the Client does not close an open Transaction with respect to an Underlying Asset which has an Expiry Date, prior to such Expiry Date, the Transaction shall automatically close upon the Expiry Date. The Transaction shall close at a price which will be the last price quoted on the Trading Platform immediately prior to the applicable Expiry Date and time.

11.19.4. Spreads

11.19.4.1. All FX and CFDs available with the Company have spreads which appear on the Trading Platform/ Clients must consult on a daily basis and before opening any new position that Spreads of each instrument. The company only refer to indicative spreads at its websites hence the accurate Spread can only be calculated by consulting the trading platform. . The Company has the right to amend its spreads at its discretion from time to time. Such changes shall be effected on the Trading Platform and the Client is responsible to check for updates regularly. Spreads may increase intraday during abnormal and/or other market conditions that affects trading in certain instruments.

11.19.5. Corporate Actions

11.19.5.1. If a Corporate Action occurs, the Company will reasonably determine what adjustment, if any, should be made to an Order to account for the dilutive or concentrative effect of such event to preserve the economic equivalent of such Orders prior to the relevant event or to reflect the effect of such event on such Orders. Any such adjustments will be effective as of a date reasonably determined by the Company. In cases where a split or a reverse split is applied the Company will adjust the number of CFDs and prices accordingly. The Company does not pay any dividends for any positions in any instrument in CFDs, and the Client acknowledges that it is not entitled to receive any dividend payments from its CFD transactions.

11.20. The events mentioned herein are any of the following, by the declaration of the issuer of a security:

- a) a subdivision, consolidation or reclassification of shares, a share buy-back or cancellation, or a free distribution of bonus shares to existing shareholders, capitalization or share split or reverse share split or similar event;
- b) a distribution to existing holders of the shares or additional shares, other share capital or securities, granting the right to payment of dividends and/or proceeds from the liquidation of the issuer equally proportionate to such payments to holders of the underlying shares, securities, or warrants granting the right to receive or purchase shares for less than the current market price per share;
- c) any other event regarding shares analogous to any of the above events or otherwise having a diluting or concentrating effect on the market value of shares;
- d) any event analogous to any of the above events or otherwise having a diluting or concentrating effect on the market value of any security not based on shares;
- e) any event which is caused by a merger offer made regarding the Company of the

underlying asset;

f) earnings announcements.

- 11.21. If any Financial Instrument Reference Asset which is a security becomes subject to a specific risk resulting in a predicted fall in value, the Company reserves the right to restrict short selling or even withdraw the specific Financial Instrument from the Trading Platform.
- 11.22. Determination of any adjustment or amendment to the opening/closing price, size, value and/or quantity of the Transaction (and/or the level or size of any order) shall be at the Company's sole discretion and shall be conclusive and binding upon the Client. The Company shall inform the Client of any adjustment or amendment via its internal mail as soon as is reasonably practicable.
- 11.23. In the case where the Client has any open positions on the ex-dividend day for any of the Financial Instrument Reference Assets, the Company has the right to close such positions at the last price of the previous trading day and open the equivalent volume of the underlying Financial Instrument at the first available price on the ex-dividend day. In this case, the Company will inform the Client via the internal mail of the said adjustment and no Client consent will be required. In the case where the Company's Risk Management believes the Client is deliberately attempting to take advantage of the fact that shares in a particular Spot Index going ex-dividend, the Company reserves the right to apply a dividend adjustment. In the case of short positions, the dividend adjustment will be debited from the clients' account where dividend adjustment will be equal to Index Dividend declared x position size in Lots.

12. REFUSAL TO EXECUTE ORDERS

- 12.1 The Client accepts that the Company reserves the right, at any time, to refuse the provision of any investment and/or ancillary services, at any time, including but not limited to the execution of instructions for trading any type of Forex, CFD or any other financial instruments offered by the Company, without prior notice to the Client. The circumstances under which the Company shall proceed to the above actions are the following:
- i. If the Client has insufficient funds in his/her account to place the order (together with the respective fees, charges and commissions necessary to carry out the transaction);
 - ii. If the order affects, in any manner, the reliability, efficiency, smooth or orderly function of the market;
 - iii. If the order aims at manipulating the market of the underlying financial instrument;
 - iv. If the order constitutes the exploitation of confidential information;

- v. If the order affects, in any manner, the reliability, efficiency, smooth or orderly operation of the trading platform; and
- vi. If the order contributes to the legalization of proceeds from illegal activities such as money laundering, terrorist financing, fraud and/or any other illegal activities.
- vii. If the order is a result of the use of inside information (insider trading).

12.2 Internet, connectivity, delays and price feed errors sometimes create a situation where there is price latency on the Electronic Systems such that there is a disparity between the Company quoted prices and current market prices for short periods. Client expressly acknowledges and agrees that it shall not execute Transactions with the Company that rely on price latency arbitrage opportunities either by using additional functionalities/plugin-ins or by any other means. If the Client acts in contravention of this section, the Company has the right to:

- i. make corrections or adjustments to the relevant Transaction execution prices to reflect what would have occurred had there been no price latency arbitrage; and/or
- ii. cancel all the relevant Transactions; and/or
- iii. terminate without notice the Client's Account with the Company; and/or
- iv. charge an administration fee equal to 10% of the deposited funds, with the maximum charge set at Euro 200 or deposit currency equivalent. Conditional upon a client informing the Company in advance of linked trading accounts with the Company to be used for a hedging strategy within those accounts (i.e. mirror accounts) the Company will not consider hedging activity in those mirror accounts as an abusive trading strategy.

12.3 The Client understands that any act of refusal by the Company for the execution of any order will not affect any obligation of the Client towards the Company under the *Terms*. In the event that the Company refuses to execute an order, such refusal will not affect any obligation which the Client may have towards the Company or any right which the Company may have against the Client or his/her assets. If the order is a result of the use of inside confidential information (insider trading) it is understood that any refusal by the Company to execute any order shall not affect any obligation which the Client may have towards the Company or any right which the Company may have against the Client or his/her assets. The Client also declares that he/she shall not knowingly give any Order or instruction to the Company that might instigate the Company taking action.

13. CANCELLATION OF TRANSACTIONS

13.1. The Company has the right to cancel a transaction if it has adequate reasons and/or evidence to believe that one of the following has incurred:

- i. Fraud / illegal actions led to the transaction,
- ii. Orders placed on prices that have been displayed as a result of system errors or systems malfunctions either of those of the Company or of its third-party service providers.
- iii. The Company has not acted upon the Client's instructions.
- iv. The Transaction has been performed in violation to the provisions herein.

13.2. The Company reserves the right to cancel executed trades if the trade cancellation feature is abused. An acceptable rate of cancellation is 1 cancelled trade per 10 executed trades. A rate of cancellation higher than 1 cancelled trade per 10 executed trades will be considered abuse of the cancellation feature.

14. OUR RIGHT TO FORCE CLOSE

14.1. The Client acknowledges that the Company has the right, at its sole discretion, to immediately close any of his/her open transactions, whether at a loss or a profit, and liquidate the Client's Trading Account in the following circumstances:

- (a) If the quoted prices, as shown on the Trading Platform, change such that the total difference payable by the Client, pursuant to his/her open transactions, equals or exceeds the total Margin required to maintain the open transactions.
- (b) If the funds in the Client's Trading Account is equal or less than the total Margin required to maintain the Client's open transactions.
- (c) If the Company receives a charge-back from your credit card issuer or with respect to any other payment method, for any reason.

14.2. The exercise of our right to force close will not result in the immediate termination of your Trading Account, unless the Company notifies you of such in writing.

14.3. Notwithstanding the foregoing, if the quoted prices, as shown on the Trading Platform, move against the price of your open transactions we may, without obligation or liability, request the Client to increase the funds in his/her Trading Account, within a specified period of time, to cover the difference and/or meet the Margin requirements for the purpose of keeping a transaction open. If the Client fails to comply with the Company's request for additional funds, we may exercise our right to force close. It is the Client's responsibility to monitor, at all times, the amount of funds in his/her Trading Account against the amount of Margin required as a result of the Client's trading decisions.

14.4. The Client acknowledges that trading in certain financial instruments or underlying assets carries a high degree of risk in becoming volatile very quickly and without warning. The Client hereby agrees that the Company reserves the right to close all or any open transaction

with respect to any financial instruments or underlying assets that we determine that are volatile, in our sole discretion, at the quoted price at such time without notice.

15. ROLLOVER FEATURE

15.1. Rollover occurs when the CFD/ FX/ any other financial instrument, subject to expiry, is automatically rollover to the next expiry date. For specific types of financial instruments, there are expiration times and dates as shown on the Company's Trading Platform and/or websites. In such a case, if the Client does not close the trade within the specified expiration time/date, he/she authorizes the Company to close any such transactions at the quoted price at such time without being Rollover. In cases where the client rollovers a trade then SWAP charges are applied.

16. MARGIN REQUIREMENTS

16.1. In order to open a Transaction for an Asset / Underlying Asset, the Client undertakes to provide the Initial Margin in his/her Trading Account. In order to keep a Transaction open, the Client undertakes to ensure that the amount in his/her Trading Account equals the Margin required to maintain the transaction open. The Client acknowledges that the Margin for each Underlying Asset differs and may be changed by us in our sole discretion from time to time. Based on the amount of funds that the Client has in his/her Trading Account, we retain the right to limit the amount and total number of open Transactions that you may wish to open or currently maintain on the Trading Platform.

16.2. It is understood that each different type of financial instruments offered by us have different Margin requirements. It is the Client's responsibility to ensure that she/he understands how Margin requirements are calculated.

16.3. Unless a Force Majeure Event has occurred, the Company has the right to change the Margin requirements, giving to the Client two (2) Business Days Written Notice prior to these amendments. New Margin Requirements shall be applied for new positions. The Company has the right to change Margin requirements without prior notice to the Client in the case of Force Majeure Event. In this situation, the Company has the right to apply new Margin requirements to the new positions and to the positions which are already open. All changes shall be effected on the Trading Platform and/or the Company's websites and the Client is responsible to check for updates. It is the Client's responsibility to monitor at all times the amount deposited in his/her Trading Account against the amount of any Margin required and any additional margin that may become necessary.

16.4. The Client acknowledges that we may, at our sole discretion, require him/her to take certain action in his/her Trading Account pursuant to a margin call. A margin call may be based upon a number of factors, including without limitation, the Client's overall position with us, his/her account size/type, the number of open Transactions he/she has, volume traded, trading history and market conditions.

16.5. The Company shall not have an obligation to make any margin call to the Client but in the event that it does, or in the event that the Trading Platform warns the Client that it reached a certain percentage of the Margin in the Trading Account, the Client should take any of the following action to deal with the situation:

- (a) Limit his/her exposure (by closing trades); or
- (b) Deposit sufficient funds in his Trading Account to meet the required Margin.

16.6. If the existing or deposited Margin in the Client's Account is not sufficient to meet the required Margin rates, as those are determined by the Company, the Client's transactions will not be executed. Without prejudice to the generality of the foregoing, the Client's open positions will be automatically closed starting from the most unprofitable and/or loss making, when the Margin in the Client's Account is less than 5% of the Margin Level. This includes positions with a guaranteed stop loss order or limited risk protection. The Company may provide prior warning to the Client however it shall not be liable for any consequences if such prior notification is not sent.

16.7. Failure to meet the Margin Requirement at any time or failure to make a Margin payment when due may result in force closure of the Client's open positions without further notice to the Client. Margin shall be paid in monetary funds in the balance currency of the Client Account.

16.8. If you have more than one Trading Account with us, each Trading Account will be treated entirely separately. Therefore, any credit on one Trading Account (including amounts deposited as margin) will not discharge the Client's liabilities in respect of any other Trading Account. It is your responsibility to ensure the required level of margin is in place for each Trading Account separately.

16.9. The Client acknowledges that the Margin Call is set to 75% and the Stop Out to 5%. The Client further acknowledges that the Company may change at its discretion the Margin Call, Stop Out based on regulation and/or according to the Company's Policies and Procedures as this may take place from time to time.

17. SETTLEMENT OF TRANSACTIONS

17.1. The Company shall proceed to a settlement of all transactions upon execution of such transactions. Acquisition of a Forex, CFD or other financial instruments is completed when the Forex, CFD or financial instrument payment has been verified and the relevant swap and other charges have been calculated.

17.2. The Client agrees to be fully and personally liable for the due settlement of every transaction entered under his/her Trading Account with the Company. Any confirmation or proof for any act or statement of Account or certification issued by the Company in relation to any transaction or other matter shall be final and binding on the Client, unless the Client has any

objection in relation to such statement of Account or certification and the said objection is communicated in writing and received by the Company within two calendar days from the receipt of the deemed date of receipt of any statement of Account or certification.

18. HANDLING OF CLIENTS FUNDS

- 18.1. When holding Client's funds, the Company shall place the Client's funds into one or more bank accounts and take every possible action to ensure that the Client's funds are safeguarded. Such funds will be held in designated bank accounts and the Company shall keep separate accounting records of the Client's funds and its own funds and shall be able to promptly distinguish funds held for different Clients of the Company. Further to the Terms, the Client acknowledges and accepts that he/she has read, understood and accepted the company's policies, which can be found on the Company's websites.
- 18.2. Funds belonging to the Client and that will be used for trading purposes will be kept in an account with any bank or financial institution licensed to accept funds which the Company will specify from time to time to the Client and will be held in the Company's name in a properly denoted as Client bank account. The Company will not be liable for the insolvency, acts or omissions of any third party referred to in this section.
- 18.3. Client's fund transfer requests will be performed from the Company's official websites. The Fund transfer requests are processed within the time period specified on the Company's Deposit and Withdrawal Policy and/or on the Company's official websites. The Company accepts no liability for bank charges and/or clearing costs by Payment Service Providers and / or Banks. The Client acknowledges and accepts that the Company will credit the client's trading account only the net amount received in the company's Bank Accounts held for clients and any chargers/fees from PSPs and Banks will be paid by the Client. The Client acknowledges that on the Company's websites the charges, fees and costs for the transfer of funds to his/her account can be reviewed and the Company shall take every effort to notify Clients prior to any fund transfer request, of all charges, fees and costs for the said fund transfer. Any charges imposed by the bank or payment service providers shall be paid by the client. The Company may at its discretion charge a 3% plus 0.25 cents fee per deposit which includes payment from service provider and handling fees which will be paid by the Client additionally to the deposited amount. For bank deposits the Company will consider as deposit the net amount received in its bank accounts, subject to any applicable banking fees/charges/costs. In case of a withdrawal any applicable bank/PSP charges/fees/costs will be deducted by the Company prior to the return of the client's balance to his/her account. The Company shall take every effort to update the fees and charges imposed by third party providers on its websites in a timely manner, however it shall not be held responsible for any subsequent changes and/or inaccuracies by third parties such as PSPs and Banks beyond its control.
- 18.4. The Client acknowledges and agrees that the Company reserves the right to set off and may, at its discretion, from time to time and without the Client's authorization, set-off any

amounts held on behalf and/or to the credit of the Client against the Client's obligation to the Company including but not limited for charges, fees, expenses and handling fees charged or incurred by the Company on behalf of the Client.

18.5. Unless otherwise agreed in writing between the Company and the Client, the Terms shall not give rise to the rights of any credit facilities. In certain cases, prior to the receipt of any funds from the Clients and as per their request, the Company might from time to time provide credit to Clients by depositing funds to their trading account(s). In these cases where clients are using the credit funds for supporting their trading activity, they hereby declare, acknowledge, and accept that any amount of credit shall be paid back to the Company within 3 business days (the "Credit Repayment Timeframe") by depositing all the funds of the credited amount to the Company's designated Bank, EMI accounts and or Payment Service Providers. Upon the Client's request, the Company at its sole discretion might extend by approving in writing the "Credit Repayment Timeframe". Clients that they receive any Credit as described above, are further declare and accept that they have the legal obligation to repay the Company within the above "Credit Repayment Timeframe". In cases where Clients fail to fulfil their obligations to pay any credit in full within the above timeframes, it immediately gives the right to the Company to cancel the amount credited (Credit), and the client accepts full responsibility for the outcome of the trading account due to the cancellation of the credit. The Client has the right to withdraw only funds which are not used for margin coverage/ requirement and that are free from any obligations towards the company.

18.6. The Client accepts to clearly denote all the required information on any payment document that the Company may request at its own discretion (funds/ deposit/ withdrawal/ transfer/ additional Identification and Proof of Residence documents) from time to time in order to verify the source of funds and to comply with the international regulations against fraud and money laundering and the applicable legislative and regulatory framework as may be amended from time to time. Such documents may include among other copies of credit card, bank statements/IBAN certificates/ copies of SWIFT/SEPA for wire transfers, written confirmations from Banks and Card Issuers that the client is the true owner of the credit/ Debit/ Other card used and/or any other documentation to serve such purpose. The Company may not approve and reasonably withhold any withdrawal request unless all requested documents and information are provided by the Client to its complete satisfaction.

18.7. The Client agrees that any amount of funds transferred by the Client from his/her bank account/Credit and or other Card/e-Wallet will be deposited to his/her trading account at the value date of the payment received in the Company's Client's account. Any charges/fees/costs charged by the Bank Account and/or other payment service providers and/or any other intermediary Bank/Financial Institution involved in the process of his/her transaction/remittance shall be paid by the client. To this effect, the client shall pay any fees/charges/costs as these may be imposed as a result of the transfer of funds. In order for the Company to accept any deposits by the Client, the identification of the sender must be verified and ensure that the person depositing the funds is the Client. If these conditions

are not met, the Company reserves the right to refund the amount deposited via the method used by the remitter minus any applicable fees/charges/costs imposed by the banking or payment service provider, as may be applicable.

18.8. The Company reserves the right to refuse a transfer of funds by the Client or on behalf of the Client and not to credit his/her trading account in the following cases:

- i. If the Company has reasonable suspicion that the person transferring the funds is not duly authorized;
- ii. If the funds are not directly transferred from the Client and a third party is involved;
- iii. If the transfer is in violation of the Mauritius legislation.
- iv. If the identification of the sender is not verified and if the Company doesn't ensure that the person depositing the funds is the Client.

In any of the above cases the Company will send back the received funds to the remitter by the same method as they were received and the Client will suffer with all the relevant Bank Charges created due to the above transaction.

18.9. In any of the cases mentioned herein the Company shall return any received funds to the sender with the same method that they were received, and the Client will be charged with any relevant charges and fees of the bank or the Merchant provider/ Payment Service Provider. Any charges/fees/costs imposed by payment service providers will be deducted and the Company shall return to the client's account the remaining balance.

18.10. In the event that any amount received in the Bank Accounts is reversed by the Bank Account or the merchant provider at any time and for any reason, the Company will immediately reverse the affected deposit from the Client's trading account and further reserves the right to reverse any other type of transactions effected after the date of the affected deposit. It is understood that these actions may result in a negative balance in all or any of the Client's trading account(s).

18.11. The Client agrees to waive any of his/her rights to receive any profits or interest earned in the funds held in the Bank Account where Client's funds are kept and/or on the deposited funds held by the Company on behalf of the Client and further acknowledges that the Company will be entitled to act as the beneficiary of such interest.

18.12. The Client shall be entitled to withdraw from his/her account any available funds that are not used for other obligations or charges or any amounts which require conditions to be fulfilled. The Company reserves the right to decline a withdrawal request if the request is not in accordance with certain conditions mentioned in the Terms or delay the processing of the request if it is not satisfied with the KYC and or other documentation provided by the Client. The Client acknowledges and accepts that any incurring bank / merchant fees will be paid by him/her in case of fund withdrawals from his/her trading account in order to credit his/her

designated bank account. The Client is fully responsible for the payment details that he/she provided to the Company and the Company accepts no responsibility if the Client has provided false or inaccurate bank / merchant details.

- 18.13. Withdrawals should be made using the same method used by the Client to fund his/her trading account and to the same remitter. The Company reserves the right to decline a withdrawal with a specific payment method and to suggest another payment method where the Client needs to complete a new withdrawal request. In the event that the Company is not fully satisfied with the documentation provided in relation to a withdrawal request, the Company can request for additional documentation and if the request is not satisfied, the Company can reverse the withdrawal request and deposit the funds back to the Client's trading account. Fund transfer requests are processed by the Company within three (3) business days upon the submission of the request. It is noted however that delays may occur with the processing of such requests, as specified on the Company's websites. The provision of documentation or any other type of Client from time to time authentication as may be required by Anti Money Laundering (AML) regulations, Credit Card companies and the Company is a prerequisite, prior to the execution of any withdrawal order.
- 18.14. The Client acknowledges that in the case where a Client's bank account held with the Company is frozen for any given period and for any given reason the Company assumes no responsibility and the Client's funds will also be frozen. Furthermore, the Client acknowledges that (s)he has read and understood the additional information provided on each payment method available on the Company's websites.
- 18.15. When the Client is depositing funds to his/her account with the Company by using a Bank Transfer, as required for anti-money-laundering regulations, the Client is required to use only one bank account, which is in his/her country of residence and in his/her name. An authentic SWIFT confirmation or Transfer Confirmation, showing the origin of the funds, must be sent to the Company. Failure to submit such SWIFT/Confirmation may result in the return of the deposited amount; hence preventing the deposit of such pending amounts to the Client's trading account. Any withdrawal of funds, from the Client's trading account to a bank account, can only be refunded to the same bank account that the funds were originally received from.
- 18.16. The Client acknowledges that the Company from time to time may decide to offer various base currencies. Currently the Company offers three base currencies which are namely USD, GBP and EUR, therefore all deposits made in any other currency that the Company may decide to accept deposits shall be converted to USD, GBP or EUR as per the client's choice at the standard rate on the conversion day. The client shall bear all conversion charges/fees for not depositing funds in the base currencies offered by the company and acknowledges that his/her deposit may be debited sums which due to exchange rates and credit card Companies' fees, may slightly vary from the initial sum that has been deposited by the Client in the account base currency. The Client hereby accepts that such variations may occur, and he/she hereby affirms that shall not seek to object or charge this back. When the account base currency is either USD, GBP or EUR and the currency of the Client's credit/debit card is the

same then the above difference/charges are usually avoided.

18.17. Credit/ Debit card deposits may be, according to credit/debit card companies' regulations/terms and conditions, returned to the same credit card when a withdrawal is performed. A withdrawal to credit a bank account where the initial deposits have been performed by a credit card will be executed back to the credit card or to the bank account only at the Company's discretion but in such a case a withdrawal to credit a bank account may take a longer period, due to additional security procedures and documentation that will be requested from the Client. The client acknowledges that for withdrawals via a payment service provider there are two base currencies (EUR/USD) therefore all withdrawals made in other currencies shall be converted to EUR/USD as per the client's choice at the standard rate on the conversion day. The client shall bear all applicable conversion charges. For withdrawals via a credit institution there are three base currencies available (EUR/USD/GBP) and the client shall pay any applicable fees/charges/costs. The Client is charged with any fees/costs/charges related to withdrawals either via bank or payment service provider and is entitled to pay for any conversion charges, if applicable.

19. FEES, COMMISSIONS, AND OTHER ASSOCIATED CHARGES/ COSTS

19.1. Prior to trading in Forex, CFDs or any other financial instruments offered by the Company, the Client needs to consider any applicable fees, Commission, SWAPS and associated charges. The provision of Services is subject to the payment of, charges, commissions, swaps and handling fees that the Company is entitled to receive from the Client for its Services provided as described in the Terms and Conditions, the contract specifications and on the Company's websites. The Company is also entitled to receive compensation for the expenses it will incur for the obligations it will undertake during the provision of the said Investment Services in addition to costs, other commissions, handling fees and charges that may be due by the Client directly to third parties. The Client is obliged to pay all such costs. The Company reserves the right to modify, from time to time, the size, the amounts and the percentage rates of its fees providing the Client with a respective notification of two (2) days before the implementation of such changes accordingly. Notification can also be made via the Company's websites and/or a relevant notification to the Client's e-mail address provided to the Company during the registration process should be sent.

19.2. The Client should note that not all charges are represented in monetary terms. Certain types of costs may appear as a percentage of the value of a Forex, CFD, or the type of financial instrument, therefore the Client has the responsibility to understand how charges handling fees and any relevant costs are calculated and charged.

19.3. When providing a Service to a Client, the Company may pay or receive fees, commissions or other non-monetary benefits from third parties or introducing brokers as far as permitted by the Applicable Regulations. In any case, the Company shall not deduct any fee from the Client's balance in order to pay any commission and/or fee to any Affiliates and/or introducing broker and/or business introducer. It is stated that the Company shall not pay

any fee and/or commission to any of the third parties based on the profit/loss of the Client. To the extent required by law and/or the Client, the Company will provide information on such benefits to the Client on request.

- 19.4. Details of any tax obligations which the Company is required to pay on the Client's behalf will be stated to the Client. The Client is also accountable for other taxes which are not collected by the Company and the Client should seek independent expert advice if he/she is in any doubt as to whether he may incur any further tax liabilities. Tax laws are subject to change from time to time. The Company is fully entitled to debit the account of the Client with the outstanding amount to be settled (excluding taxes payable by the Company in relation to the Company's income or profits). In general, the Company does not collect taxes on behalf of any authority in any form or manner. Without limiting the foregoing, it is the Client's obligation alone to calculate and pay all taxes applicable to him/her in his/her country of residence, or otherwise arising as a result of his/her trading activity from the use of the Company's Services. Without derogating from his/her sole and entire responsibility to perform tax payments, the Client agrees that the Company may deduct tax, as may be required by the applicable law, but is not obligated to do so, from the results of the activity with the Company. The Client understands that amounts that may be withdrawn by him/her from his/her account are "gross amounts", from which the Company may deduct such taxes, and the Client will have no claim towards the Company with regard to such deductions.
- 19.5. The Client is solely responsible for all filings, tax returns and reports on any transactions which should be made to any relevant authority, whether governmental or otherwise, and for payment of all taxes (including but not limited to any transfer or value added taxes), arising out of or in connection with any Transaction.
- 19.6. The Company may change its costs periodically. The Company will send a notification to the Client from time to time informing him/her of any changes before they come into effect. The Company will provide the Client with at least two business days' notice of such modification except where such modification is based on a change in interest rates or tax treatment, or it is otherwise impractical for the Company to do so.
- 19.7. Examination of application fees of 50 EURO/USD/GBP are applied to all new applications due to the administration costs incurred by the Company when examining clients' applications. Examination of application fees shall be applicable at the sole discretion of the Company and may not be charged to any new applications.
- 19.8. The client acknowledges the imposition of a dormancy fee according to Section 21 below on all accounts which will be charged to all clients by the Company and before approving any requested withdrawal and/or before the Company returns any received funds to clients that their relationship was terminated due to their denial or omission or delay in providing the necessary and/ or requested identification documents and/or any other requested information to the satisfaction of the Company. For more information on the applicable dormancy fees please also refer to Section 21 below.

- 19.9. The Company further has the discretion to impose chargeback fees, where applicable as per the provisions hereinbelow.
- 19.10. Any banking or payment service providers fees/charges/costs or conversion charges relating to client deposits and / or withdrawals via the selected payment method shall be paid exclusively by the Client. Any charges imposed by the bank or payment service providers shall be paid by the client. Any charges/fees/costs imposed by payment service providers will be deducted and the Company shall return back to the client the remaining balance.
- 19.11. Withdrawal requests will be processed within three (3) business days. Once the request has been approved by the Company, the Client shall allow an additional period of 5 to 7 days before his/her funds will be shown in the Client's account due to delays caused by the Banks and other Payment Providers.
- 19.12. By accepting the Company's Terms and Conditions of Business and opening a trading account the Client has read, understood and accepted the information presented on the Company's websites that is publicly available for all Clients, in which all the related information for commission, fees, and costs, handling and financing fees can be reviewed. The Company may amend from time to time at its own discretion all such commission, costs, handling and financing fees. The Company shall notify the Client via e-mail at least 24 hours in advance, with regards to the updated charges and fees. Upon provision of the e-mail, the Client is deemed to have seen, reviewed and considered the Company's commission, charges, costs and financing fees and any changes that the Company may make thereto from time to time.
- 19.13. The Company shall not be liable for any type of agreement that may exist between the Client and the introducing broker or affiliate or referring agents or for any additional costs that may arise as a result of the Terms and Conditions.

20. PRICING

- 20.1. The Company will quote prices at which it is prepared to execute for the Client. Save where:
- i. The Company exercises any of its rights to close out a Transaction; or
 - ii. A Transaction closes automatically; it is Client's responsibility to decide whether or not he wishes to deal at the price quoted by the Company.
- 20.2. The Company's prices are determined based on the prices determined from its Liquidity Provider(s) in the manner set out in the enclosed terms. Each price shall be effective and may be used in a dealing instruction prior to the earlier of its expiration time and the time, if any, at which it is otherwise withdrawn by the Company. A price may not be used in a dealing instruction after such time. Each price shall be available for use in a dealing instruction for a transaction with a principal amount not to exceed a maximum determined by the Company. The Client acknowledges that these prices and maximum amounts may differ from prices

and maximum amounts provided to other Clients of the Company and may be withdrawn or changed without notice. The Company may at its sole discretion and without prior notice to the Client immediately cease the provision of prices in some or all currency pairs or other financial instrument and for some or all value dates at any time. When the Company quotes a price, market conditions may move between the Company's sending of the quote and the time the Client's order is executed. Such movement may be in Client's favor or against it. Prices that may be quoted and/or traded upon, from time to time, by other third parties shall not apply to trades between the Company and the Client.

21. DORMANT ACCOUNT PROCEDURES AND HANDLING FEES

21.1. Client accounts in which there have been no trades for a period of more than 60 calendar days will be considered by the Company as being dormant accounts. Such 60 days period shall begin from the first day following the lapse of the 60 days period in which no transaction was undertaken. Any new Trading Account for which the client requests a withdrawal before the first 60 calendar days of its operation, will be considered by the Company as being Dormant Account and will be subject to a dormancy fee as per the table below:

Inactivity Days	Inactivity Monthly Fees (EUR)
1-60	Free
61	60
91	120
121	120

23.6. Telephone conversations between the Client and the Company are recorded and kept by the Company and such recordings will be the sole property of the Company and shall be kept for such period of time as determined by the regulatory framework. The Client accepts such recordings as conclusive evidence of the Orders/Instructions/Requests or conversations so recorded. Recordings and/or transcripts may be used for any purpose which is deemed necessary such as in the resolution of any complaints and/or grievances you may have against the Company. The Client hereby agrees and consents to the use of the telephone records in the resolution of any complaints and/or settlements and/or to their admission as evidence in any legal or regulatory proceedings.

23.7. The Client accepts that the Company may, from time to time, make direct contact with the Client by telephone, fax, or otherwise.

23.8. Under Applicable Regulations, the Company will keep records containing Customer personal data, trading information, account opening documents, communications and anything else which relates to the Client for at least five (5) years up to seven (7) years after termination of the business relationship or a Transaction, pursuant to the Applicable Regulation.

24. AMENDMENT AND TERMINATION

- 24.1. The Company reserves the right to amend, modify, update and change any of the terms and conditions, from time to time, and to notify the Client via email for any such amendment, modification or change by publishing the new version of the Terms on the relevant page of the Company's websites. Any modified version of the Terms will take effect five (5) calendar days after its publication on the Internet Site and the Client's continued use of the Services or the Software after the aforementioned 5 calendar days will be deemed to constitute the Client's acceptance of the changes to the present Terms. The Client accepts and acknowledges that is responsible to ensure that he/she is aware of the correct, current terms and is advised to check for updates on a regular basis. The Client also accepts and acknowledges that a variation which is made to reflect a change of law or regulation may, if necessary, take effect immediately. The Company, for protection of rights and interests of its Clients have the right to notify them about the changes of the provisions of the Terms by other means except its websites such as: via email, phone, fax and/or other means, at these determined terms of entry into effect may be reduced.

31.4. The Company shall in no circumstances be liable to the Client for any significant or indirect losses, damages, loss of profits, loss of opportunity (including in relation to subsequent market movements), costs or expenses the Client may suffer in relation to these Terms.

32. GUARANTEES ON BEHALF OF THE CLIENT

32.1. The Client states, confirms and guarantees that any money handed to the Company for any purpose, belongs exclusively to the Client and is free of any lien, charge, pledge or any other burden. Further, whatever money is handed over to the Company by the Client is not in any manner whatsoever directly or indirectly proceeds of any illegal act or omission or product of any criminal activity.

32.2. The Client acts for himself and not as a representative or a trustee of any third person, unless he/she has produced, to the satisfaction of the Company, a document and/or a power of attorney enabling him/her to act as representative and/or trustee of any third person.

32.3. The Client agrees and understands that if the Company has such evidence that are adequate to indicate that certain amounts, received by the Client are proceeds from illegal acts or products of any criminal activity and/or belonging to a third party, the Company reserves the right to refund these amounts to the sender, either this being the Client or a beneficial owner. Furthermore, the Client also agrees and understands that the Company may reverse any transactions performed in the Client's Trading Account and may terminate the business relationship. The Company reserves the right to take any legal action against the Client to cover and indemnify itself upon such an event and may claim any damages caused to the Company by the Client as a result of such an event.

- 32.4. The Client understands and accepts that all transactions in relation to trade in any of the Financial Instruments will be performed only through the Trading Platform(s) provided by the Company and the Financial Instruments are not transferable to any other Trading Platform whatsoever.
- 32.5. The Client guarantees the authenticity and validity of any document handed over by the Client to the Company.

33. CHARGEBACK POLICY

- 33.1. The Company reserves the right to charge the Client with a research and administrative processing fee, depending on the fees/charges of the Payment Service Provider, if a chargeback is placed by the Client with his/her credit card company (either intentionally or unintentionally) for any deposit made to the Client's Trading Account. This fee will be used to cover all investigative expenses to prove that the deposit was made by the Client upon receiving the chargeback from the Company's merchant provider/payment service provider.
- 33.2. All fraud including credit card fraud will not be accepted by the Company and as such will be fully investigated and pursued under the law to its fullest extent. Any losses resulting on our behalf will be fully pursued in a civil lawsuit to claim back any losses incurred.
- 33.3. Any chargebacks made to the Company will be regarded as fraudulent if no attempt is made by the Client to help solve any issues related to a deposit. All unnecessary chargebacks result in costs for our Company and as such:
- a. When suspicious activity relating to any deposit is detected by the Company, the respective deposit will be placed as 'Pending' and fraud detection checks will be performed during this time. Access to the Client's Trading Account will also be temporarily prohibited in order to reduce the Company's exposure to the risk.
 - b. All reviews are generally completed within twenty-four (24) hours; however, it may take longer for those deposits posing a potentially higher risk as more extensive fraud detection checks will be performed by the Company.
 - c. The Client acknowledges and agrees that the Company may contact the Client directly in regards to the received transactions/claims.
 - d. Depending on the specific case and chargeback reason, the deposit will either be held as "pending" until the investigation is completed and/or the claim is closed; or the deposit will be cancelled, and the funds will be refunded back to the credit card used to make the deposit. In addition, the Company has the sole discretion to close any (and all) of the Client's Trading Accounts with us in such cases. Any active orders will also be cancelled immediately if associated with the same fraudulent credit card and/or account.
 - e. The Client has fifteen (15) calendar days to cancel the chargeback or to reimburse the amount back to the Company via a bank transfer.
 - f. Any chargeback case that is made against the Company and is not successful, will result

in the sum being reimbursed to the Company along with charges for any research, administration and processing performed.

- g. If the Client reimburses the Company with the disputed amount via bank transfer or if the Client cancels the chargeback, and the cancellation has been officially confirmed to the Company by the payment service provider or the bank, then the Company will not charge any fees.
- 33.4. In addition, in case of chargeback, dispute, retrieval or any type of fraudulent transaction, regardless of the outcome of the chargeback case, the Company reserves the right to block the Client's online trading facility and/or not reactivate it and/or terminate his/her account with us. Consequently, any profits or revenues may be seized, and we reserve the right to inform any third party. We are continually developing tools to monitor any fraudulent activity and any cases from such activity will be decided on by ourselves and any decision made shall be final and non- negotiable.
- 33.5. The Company reserves the right to deduct the disputed amount until any investigation from our side is completed.

34. INTELLECTUAL PROPERTY

- 34.1. The Client acknowledges that all content, trademarks, services marks, trade names, logos and icons and in general all Intellectual Property Rights on the Company's Websites (www.smartstp.com and www.smart-stp.com) are the Company's property or its affiliates or agents and are protected by copyright laws and international treaties and provisions.
- 34.2. The Client agrees not to delete any copyright notices or other indications of protected intellectual property rights from materials that the Client prints or downloads from the websites. The Client will not obtain any intellectual property rights in, or any right or license to use such materials or the websites, other than as set out herein.
- 34.3. The Client also agrees not to copy, record, edit, alter or remove any of the materials on the Company's websites. This shall include, without limitation, not removing, editing or otherwise interfering with (or attempting to remove, edit or otherwise interfere with) any name, marks, logos or branding on the Company's websites.
- 34.4. Images displayed on the websites are either the property of the Company or used with permission. The Client agrees not to upload, post, reproduce or distribute any information, software or other material protected by copyright or any other intellectual property right (as well as rights of publicity and privacy) without first obtaining the permission of the owner of such rights and the prior written consent of the Company.
- 34.5. Unless expressly stated otherwise, the Company's surrendered materials and/or messages, including ideas, know-how, techniques, marketing plans, information, questions, answers, suggestions, emails and comments, are neither confidential nor will the Client hold the intellectual property in it. The Client's consent to the Terms shall be

regarded as authorizing the Company to use any client data (excluding the personal identification data of the client). Such use does not require additional client approvals and/or will not be billed separately.

35. GENERAL PROVISIONS

- 35.1. The Client acknowledges that no representations were made to him/her by or on behalf of the Company which have in any way incited or persuaded him/her to enter into the terms.
- 35.2. In case of joint-trading Accounts for two or more persons who will jointly be considered as the Company's Client, the Client's obligations under the Terms shall be joined and several and any reference in the Terms to the Client shall be construed, where appropriate, as reference to one or more of these persons. Any warning or other notice given to one of the persons which form the Client shall be deemed to have been given to all the persons who form the Client. Any Order given by one of the persons who form the Client shall be deemed to have been given by all the persons who form the Client.
- 35.3. In case any provision herein is or becomes, at any time, illegal void or non- enforceable in any respect, in accordance with a law and/or regulation of any jurisdiction, the legality, validity or enforceability of the remaining provisions of the Terms or the legality, validity or enforceability of this provision in accordance with the law and/or regulation of any other jurisdiction, shall not be affected.
- 35.4. The Client shall take all reasonably necessary measures (including, without prejudice to the generality of the above, the execution of all necessary documents) so that the Company may duly fulfill its obligations pursuant to the Terms herein. The location of detailed information regarding the execution and conditions for the investment transactions in Financial Instruments conducted by the Company and other information regarding the activity of the Company are accessible and addressed to any natural persons and legal entities at the Company's websites over the Internet.

36. APPLICABLE LAW AND REGULATIONS

- 36.1. The business relationship and Agreement are governed by the Laws of the Republic of Mauritius.
- 36.2. Notwithstanding any other provision of the Terms, in providing Services to the Client the Company shall be entitled to take any action as it considers necessary in its absolute discretion to ensure compliance with the relevant market rules and or practices and all other applicable laws.
- 36.3. All transactions on behalf of the Client shall be subject to applicable laws, regulations, directives, circulars and customs of the Mauritius Financial Services Commission. The Company shall be entitled to take or omit to take any measures which it considers desirable

in view of compliance with the Applicable Regulations in force at the time. Any such measures as may be taken and the Applicable Regulations in force shall be binding on the Client.

37. COMMON REPORTING STANDARD

37.1. The Company is further obligated to identify, maintain and report information about individuals and entities tax resident in another jurisdiction for whom they maintain financial accounts and to report it to the Mauritius Tax Department to the extent that it is reportable under the applicable Legislation.

38. BONUS AGREEMENT

38.1. The Company offers Bonuses (the "Offer") which are available to clients who are eligible and have opened or maintain a trading account with the Company during the Offer Period, as announced from time to time by the Company.

38.2. Clients undertake to submit their updated and/or valid know your client documentation (i.e. proof of identity, proof of address) and/or any other document as per the request of the Company and the current due diligence procedures, as amended from time to time.

38.3. The Company reserves the right to alter, amend or terminate this Offer at its sole and absolute discretion by notifying the client whereas it may publish subsequent Bonuses from time to time. Notification of any alterations will be sent via email to the official email provided by the client.

38.4. Opting to participate in this Offer constitutes acceptance and agreement to abide by the present Terms and/or any such alterations, amendments and/or changes whereas clients remain responsible to be informed of any subsequent amendments thereon.

38.5. The Company reserves the right, at its reasonable discretion, to decline/reject and/or refuse the participation of any client and/or to discontinue this Offer to any of its clients, without any cause. Such clients will be informed via email.

38.6. It is hereby acknowledged that clients must allow for 24 hours before any Bonus is added to the trading account of the eligible clients.

38.7. For every 1000 USD provided as a bonus to the client is subject to turnover of 300 lots minimum trading volume and/or as otherwise agreed with the Company. While each turnover of 1 lot is considered equivalent to the standard size of USD 100,000 trade.

38.8. Submission of a withdrawal request prior to the completion of the minimum trading volume - based on the bonus provided - entitles the Company to apply a penalty by waiving any accrued profits since the bonus was granted to the said trading account.

- 38.9. It is acknowledged that when a client is trading with a bonus and a stop out occurs, any additional bonus credited to the account following the stop out, is subject to an additional trading volume as per described hereinabove. To this effect, the calculation of the trading volume will commence again on the date of the credit of the additional bonus and any previous volume shall be disregarded from the trading volume calculation.
- 38.10. Clients will be able to proceed with a withdrawal request of the bonus and/or any portion of the profits earned by trading with a bonus, once they have completed the due diligence and verification procedure and have fulfilled the minimum trading volume as described above.
- 38.11. Any profit earned by trading with a bonus means profit on trades which were opened or closed while any amount of the bonus was present in the account and/or where the bonus has prevented stop out of positions.
- 38.12. Should the account become dormant pursuant to the provisions of the Terms and Conditions, without obtaining the minimum trading volume, then the Company reserves the right to waive the accrued profits associated with the bonus.
